SPYPOINT

A man with a beard and a black cap stands on a dirt path in a dense forest. He is wearing a dark green hoodie with a 'SPYPOINT' logo on the chest and dark pants. He holds a small object in his right hand and a large bag in his left. The background is a lush green forest with sunlight filtering through the trees.

**SPYPOINT IS A
WORLDWIDE LEADER**
OF INNOVATIVE MOBILE
SCOUTING SOLUTIONS.

AT **SPYPOINT**, WE DON'T
JUST MAKE CAMERAS.
WE MAKE TOOLS.

Our cutting-edge cameras and advanced digital scouting tools offer industry-leading quality at exceptional value and benefits such as flexible photo transmission plans from free to unlimited and the SPYPOINT INSIDER'S CLUB.

**"WE MAKE
A SOLUTION:
THE MOBILE
SCOUTING SOLUTION."**

FLEX

SERIES

Every camera in the FLEX series features easy set-up, mobile activation, and remote firmware update through the SPYPOINT app. Each comes equipped with an optimized antenna for greater connectivity, true Dual SIM technology that automatically connects to the best coverage in the area, photo and video transmission, Time-Lapse and Time Lapse+, a responsive trigger that adjusts to conditions for best image quality, and Constant Capture technology that enables the camera to send and capture images simultaneously.
